Water Improvement Project

As all of you are aware, Phase 1 of the Water Improvement Project is underway. They started on the north side of town on FM 450. Currently, they have 160 foot bored in. Due to weather conditions, there has been some delays in progress. As of Monday, March 23, 2015, they have completed up to 511 North Central. We will keep the residents posted as the progress continues. Also, watch out for workers as they work hard to complete this project.
