

A note from the Hallsville Western Days Committee:

We are determined to have the 47<sup>th</sup> annual Hallsville Western Days activities – we want to bring some sort of normalcy back to our community. Things may not look like what you are used to and a few of the events may not happen but please be patient with us as this is an uncertain time. We have already begun planning and it will continue to change as it gets closer. As of now, we are only planning to have Saturday activities on October 3rd...the parade, the craft vendors, food trucks and the Miss Hallsville Pageant. As of right now, we will start taking vendor and food truck applications in the next couple of weeks and then collect the fees at a later date. We could add the Friday night activities, but it just depends on how things are progressing with the COVID-19 situation.

If you don't feel like it's safe for you or your family to attend, then don't take the risk. If you have any of the symptoms or have been around someone that has COVID-19, we ask that you stay home. There will be precautions in place to do our best to make it a safe family experience, but we cannot guarantee that. As of right now, this is how it looks...there will be handwashing and sanitizing stations, there will be one-way foot traffic thru the booths, and masks will be required. But as stated above, it may all change. So, please be patient with us.

We will do our best to keep you posted as to activities and requirements the day of the events. Watch the Hallsville Western Days Facebook page and the City website under Community section.

Thank you and stay safe!
