

**First Amended Renewal and Continuation of Declaration of Local Disaster  
and Public Health Emergency Related to Communicable Disease**

WHEREAS, on March 26, 2020, I, Jesse Casey, as Mayor of the City of Hallsville, Texas, issued a declaration of local disaster and public health emergency for the City of Hallsville resulting from the global pandemic of the novel coronavirus designated SARS-CoV2 which causes the disease COVID-19; and,

**WHEREAS**, the conditions necessitating the aforesaid declaration continue to exist; and,

**WHEREAS**, since March 26, 2020, additional persons in Harrison County have tested positive for the aforesaid SARS-CoV2 virus; and,

**WHEREAS**, in his March 22, 2020, press conference, the Governor of the State of Texas acknowledged that cities may need to enact more stringent measures to address this public health emergency; and,

**WHEREAS**, because of the risk of the rapid spread of the virus, the need to protect the most vulnerable members of the community, the intent to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible, while enabling essential services to continue, and the desire to slow the spread of COVID-19 to the maximum extent possible, this First Amended Renewal and Continuation of Declaration of Local Disaster and Public Health Emergency Related to Communicable Disease (herein sometimes called this "Order") is required; and,

**WHEREAS**, this Order is issued based on evidence of increasing occurrence of COVID-19 within the County and throughout the Northeast Texas area, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID-19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the City places it at risk for serious health complications. including death, from COVID- 19; and,

**WHEREAS**, making the problem worse, some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus; and,

**WHEREAS**, because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings can result in preventable transmission of the virus; and,

**WHEREAS**, the scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the healthcare system from being overwhelmed; and,

**WHEREAS**, one proven way to slow the transmission of the COVID-19 virus is to limit interactions among people to the greatest extent practicable; and,

**WHEREAS**, by reducing the spread of the COVID-19 virus, this Order helps preserve critical and limited healthcare capacity in the City;

**NOW, THEREFORE, BE IT PROCLAIMED AND ORDERED BY JESSE CASEY, MAYOR OF THE CITY OF HALLSVILLE, TEXAS:**
